October 30, 2021 (COSTUME OPTIONAL, masks and clothes required)

Four gauges will be shot on one day and the score/gauge will be reported as one event. You may enter one or all of the 50's. Due to club ammo shortage, **you must provide your own ammo. No shot larger than #9.**

ROTATION #2\*\* 11:00AM 410 FOLLOWED BY 20 GA/2:00PM 28 GA FOLLOWED BY 12

\*\* We anticipate a very small participation therefore everyone should plan on the 9:30 start time. If you plan to only shoot the 2<sup>nd</sup> event (ie, 20 ga and or 12 ga), please be ready NLT 20 min after the 1<sup>st</sup> event start time.

To avoid time lost going back to the club to change tubes/barrels and get ammo between 50's, please go to the field ready to shoot both gauges. Exception will be made in case of rain.

PRICE/50 \$17.00 inc \$4.00 to class & fees. Ga champ takes respective class money. \$10 HOA entry, awarded by class. Concurrents Honors Only. Shoot off ties for HOA &/or class champ.

LUNCH available within walking distance at Burger King or Subway (at the gas station)

Every attempt will be made to have a referee on each field but shooters may be asked score own targets. The Canterbury voice call system may be used.

Current NSSA rules apply. Current DOD COVID policy requires **masks must be worn inside the buildings.** The club assumes no liability in cases of theft or injuries.

**BASE PASS:** Due to the time constraint in getting passes back from Ft. Lewis and mailed, those non-DOD shooters needing a pass, **please contact Gil Hildebrand NLT Thursday, Oct 14, by phone 253-468-9886 if no answer – leave message!! .**
